City Council - Work Session

Meeting Date: 01/31/2022

Item Title: Community Wide Broadband

Submitted For: Nabil Shawa, City Manager Office, Administration

Add'l Contributors:

Project No:

Funding/BARS No.:

Financial Comments:

None at this time.

Information

HISTORY:

This is a joint City of WW and City CP workshop. At this meeting we'll have a high level discussion on broadband service expansion in the WW/CP urban environment. We will have Joe Poire of Petrichor joining us. Joe was the former Executive Director at the Port of Whitman County who led broadband fiber installation in Whitman County, and is now working with many rural areas across the State.

At this meeting, beyond learning more about this potential, we are seeking the Councils of WW and CP interest in forming a long-term partnership to lead broadband/fiber installation in our communities.

POLICY ISSUES:

Providing broadband services to all neighborhoods in WW and CP, and ensuring accessibility of low-income households and students.

CITY MANAGER COMMENTS:

Approved for City Council workshop discussion.
