Historical Perspective:

At a recent Council meeting, Council Member Peterson mentioned that it would be nice to coordinate some Council field trips.

Information for Consideration:

Public Works Director Robert McAndrews and his team would like to offer Council and the Mayor tours of Public Works sites such as:

- Tour of the WWTP before construction gets too far underway. Then maybe a follow up tour in a year or two after the project is completed.
- Tour of Well 6 and the Eastside Booster Station and solar farm
- Tour of PW Yard, Fleet Shop, and existing Water Tower
- Possible tour of the Lift Station 5 Project, if logistics such as safety vests/hard hats and not getting in the way of contractors can be overcome.

Mr. McAndrews has noted to let him know if there is anything else Council would like to see.

These field trips could occur in multiple short tours or one half-day long tour with lunch provided.

Subject :	2.02 Northwest Fiber and BCE Holding merger and contract transfer Eric Ferguson
