Public Content

Planning Commission meetings are primarily structured to permit Commission members to make recommendations to the City Council regarding decisions necessary to govern the City.

Public Comment is the time set aside for Citizens to address the Planning Commission regarding items of concern/interest either not appearing on this agenda, or on the consent agenda. *If you wish to speak on any such item, this is the time to come forward when the Chair asks for public comments.*

Public comments for items listed on the regular agenda may be taken after the staff presentation of the item, conclusion of discussion by the Commission, and at such time when the Chair asks for public comment.

Manner of Addressing the Commission:

Each person addressing the Commission shall give his/her name and address in an audible tone of voice for the record and, unless further time is granted by the Commission Chair, shall limit their address to five (5) minutes.

All remarks shall be addressed to the Commission as a body, and not to any member thereof. No person, other than members of the commission and the person having the floor, shall be permitted to enter into any discussion, either directly or through the members of the Commission. No questions shall be asked of the Commission members except through the presiding officer.

Personal and Slanderous Remarks:

Any person making personal, impertinent or slanderous remarks, or who shall become boisterous, while addressing the Commission may be requested to leave the meeting and may be forthwith, by the presiding officer, barred from further audience before Commission during that Commission meeting.
